## RESERVA

# CABERNET SAUVIGNON

*This wine is sourced from Tupungato, one of the premium areas in the Uco Valley, with a climate and soil that contribute to its distinctive character. A traditional Cabernet Sauvignon, combining intensity with elegance.*

### VARIETAL COMPOSITION

100% Cabernet Sauvignon

### LOCATION

Vineyards located in Tupungato, in the renowned Uco Valley region.

### HARVEST

Manual harvest, with careful cluster selection in the vineyards.

### WINEMAKING

Fermentation in small concrete vats and extended three-week maceration.

### AGING

12 months in French and American oak barrels.

### PAIRING

Red meats and spicy stews.  
Smoked cold cuts, stuffed olives and roasted vegetables.  
Cocoa- and coffee-based desserts

### AGING POTENTIAL

More than 5-6 years.

### TASTING NOTES

Intense ruby red color.

Aromas of roasted red pepper, black plum and red fruit, with hints of caramel and cocoa.

Robust, round tannins. Long and very elegant finish.

A very intense and complex Cabernet Sauvignon, with the distinguishing touch of elegance characteristic of all our wines.
